RE: Bid Bond

The following will be an addition to **Section 4.0 PROPOSAL REQUIREMENTS**:

4.11 Bid Security

The Undersigned encloses herewith as a deposit, a bid bond or a certified cheque payable to the Camrose County of the Province of Alberta for ten percent (10%) of the Bid Amount. Also, to ensure consideration of the Bid, each Bid must be accompanied by a Consent of Surety as required by the Contract Documents.

The Consent of Surety must be issued by a Surety Company licensed to do business in the Province of Alberta and must have its respective address, or that of representative agent in the Province, included on that particular document.

Omission of the certified cheque or bid bond shall invalidate the bid and shall be cause for rejection of the bid.

The undersigned hereby agrees that if, within twenty-one (21) days after the Contract is presented to them for signature, hand delivered or sent by registered mail or courier addressed to them at the address stated in the Bid, the undersigned refused or fails:

a) to sign and return to the Camrose County the Contract for the performance of the Services; or
b) to provide security and insurance as required,

the bid bond or deposit shall be subject to forfeiture to the Camrose County, and if a Contract for the Services is then entered into with some other person for a greater amount, the Undersigned is liable to the Camrose County in the amount equal to the difference between the amount of their Bid and the amount of the Contract actually entered into; the maximum not exceeding the amount of the security required under this section.
