

Addendum

Project:	2024_004 Penhold Public Services Building	No. of Pages:	1
Addendum No:	01	Date Issued:	July 11, 2024

The following change(s) in the Tender Documents are Effective Immediately. This Addendum forms part of the Contract Documents.

1.1 Clarification of the On-Site Bidders Meeting

In the RFP it states two different dates for on-site meetings as July 25th (page 9) and July 15th (page 10).

The on-site bidders meeting will take place on July 25th as stated on page 9 of the RFP. There will be **NO** meeting on July 15th.

1.2 Missing Dimensions in the Functional Program

An RFI was received on July 11th, 2024 from an interested party that asked the following question:

1. After reviewing the scope of work and the Functional program (12.7 Appendix B), there are a lot of dimensions/areas missing from the functional program. Are we to come up with these areas
or will the Town provide the area requirements for the spaces?

Some of the dimensions were researched by the Town of Penhold and found valuable to the appropriate size of that specific piece of the program (Apparatus Bay sizing). Those pieces without dimensions are left empty to allow the designer opportunity to create unique, innovative, and cost-effective solutions to meeting the program. The spaces must at a minimum meet the building code.
